

**The Excelsior Difference**Wednesday, April 6<sup>th</sup> @ 12PM–1PM EST – [Register Here](#)

Get started at Excelsior College today! Learn how to balance going back to school with your daily life. Admissions will be available to chat with you about our generous transfer credit policy, what sources of credits we accept that will accelerate your time to degree completion, and your next steps to get started with Excelsior today.

To learn more about Excelsior College and the benefits of being a partnership student, schedule a virtual meeting with your Partnership Specialist, Mary Sayer, by emailing at [msayer@excelsior.edu](mailto:msayer@excelsior.edu)

**For more information about Excelsior College and the partnership program, please contact the Partnership Admissions team (844-843-9296).**

**All Roads Lead Here**

Anthony Spearman-Leach's extensive and varied career prepared him for his current position at the National Academy of Public Administration. "My story is probably a little different from a lot of people," says Anthony "Tony" Spearman-Leach of Maryland. Like other students, the 1992 Bachelor of Science graduate came to Excelsior College with his own unique tale of what brought him to pursue higher education. [Read more](#)

**Nursing Educators, Students Adjust to Teaching and Learning During a Pandemic**

Nursing programs have had to innovate to meet the challenges posed by the pandemic. Restrictions imposed by shutdown orders, social distancing, limited in-person meetings, changes to course delivery and clinical placement requirements, and integrating technology into the classroom like never before are just a few of the ways that Covid-19 has impacted nursing education. [Read more](#)

**Success in Nuclear Technology**

Excelsior accepted credits from Smith's previous time in school and military training and applied them toward his degree. He finished the rest of the necessary requirements by taking DANTE exams. "Excelsior was pivotal for me; it opened doors; it gave me the opportunity to apply my intellect at a different level. And it gave me a pathway to continue to grow," says Smith. [Read more](#)
